

## Leopard's Links Sept 2020

### Homecoming & Spirit Week

WE are so thankful football season is underway! Unfortunately, we have made the decision, in the best interest of our student body, that we will not have our homecoming festival or parade this year. We will, however, still have the homecoming Pep Rally! This will be an all school Pep Rally to be held at the football field on Friday, Sept.18 at 2:00 PM. To accommodate our student body, only the parents of varsity football players, cheerleaders, and homecoming court are welcome to attend. Our homecoming game will be that evening at 7:00 PM versus the Floydada Whirlwinds. As a reminder, all spectators must have a ticket to enter all home football games.

### Spirit Week

- Monday 9-14 : CRAZY HAIR and/or CRAZY MASK DAY – Just what it says... crazy hair and/or crazy mask!
- Tuesday 9-15 : FAVORITE VACATION – Dress to represent your favorite vacation destination!
- Wednesday 9-16: PROUD TO BE AN AMERICAN – Be patriotic! We want to see lots of red, white, and blue!
- Thursday 9-17: THROWBACK THURSDAY – Throw it back to your favorite decade!
- Friday 9-18: RED AND BLACK DAY – Who is the biggest Leopard fan?

**Just a reminder, make sure your attire follows the dress code which is stated in the student handbook.**

### Need a Student for a Appointment or Someone is Sick

It's been a great start to school! Thank you New Home ISD families for your continued support with prayers and understanding as we navigate through uncharted changes this academic year. Our student body has done a great job with implementing temperature checks as they walk in the door(s). This is just one of the changes our kids have experienced this academic year, but they have handled every change with a great leopard spirit.

When picking up your student early please give Mrs. Weeks a call (806) 924-7543 prior to leaving your house and she will have them report to the office. when you arrive just call let her know you're here and she will sign them out and send them to you. In the event you need to enter the building, all parents must have a facemask and undergo a temperature before proceeding to the office. Thank you for your continued support.
