Dear New Home Families,

Status	Elementary PK-6th	Secondary 7th-12th	Faculty
Tested Positive	8	22	18
Recovered from Tested Positive	8	18	17

Due to privacy requirements, we will not be releasing the name of the individuals. The COVID positive staff and students are currently self-quarantining and will complete all required COVID school protocols before returning to campus. Contact tracing was completed for all positive cases and staff and students affected have been notified and will complete self-quarantining protocols prior to returning to campus.

We are working with the local health department on this matter. Contact tracing was completed for each positive case and families immediately notified. Facilities that were used by these individuals have been disinfected. We ask for everyone to continue to watch for symptoms of COVID and communicate any concerns to campus principals.

- Do you have a fever of 100 F?
- Have you been around anyone exhibiting these symptoms or who has tested positive for COVID-19 in the past 14 days?
- Have any of the following symptoms?
  - Cough
  - Shortness or difficulty breathing
  - Chills
  - Muscle pains
  - Headache
  - Sore throat
  - Loss of taste or smell
  - Diarrhea

If you have any questions or concerns, please contact your child's principal.
