Steps to Access Your Child's STAAR Scores on the Family Portal

2. You will see a screen like this:

3. If you have your access code, enter it and your child's birthdate and click the "Sign On" button.
4. If you do NOT have your access code, click on the "Lookup Unique Access Code" link in the bottom left corner of the box.
5. You will then see a screen like this:

Look Up Unique Access Code:

6. Enter your child's **first name only** and his/her **social security number in the SSN or S-Number Field**, and **birthdate**. Then click the blue "Go" button. (You do not need the TSDS ID #)
7. Your access code will appear in the code field with a message saying, "Access Code Lookup Successful." Click the blue "Go" button again to see your child's scores. You may write down your access code for future use as it is good for as long as your child is in a Texas public school.
