

NEW HOME LEOPARD FOOTBALL

HS Football Parents,

As we hit the final couple weeks of summer break, I wanted to take a couple minutes to share some information, dates and times with you for the upcoming football season. We hope you have had the opportunity to rest and get re-energized for what we believe is going to be a great 2022-2023 school year!

We have just completed our sixth week of Summer Strength & Skills, and have 1 more week before we move into the open weight room phase for non-football players and JH athletes. We have had good numbers this summer, averaging nearly 50 HS & JH boys a day and would like to continue that with them through August.

With this letter I'll also attach a tentative practice plan for Fall Camp (aka "Two-a-Days) for HS football. This plan is subject to change - any changes that we make to the schedule will be made through the SportsYou App. There, we will post a weekly schedule and any time/location changes will be made through there. If you haven't joined, download the app and use the code **GF9W-VMFU** to join **HS Football**.

I also wanted to share the changes in the HS Athletic period time during the school day. We will now have athletics the last period of the day. The time will vary, depending on whether we are on a regular, pep-rally or Friday schedule. With that change, we will now do our lifting at 7am on Monday & Tuesday during football season - ALL HS football players are expected to be there. JV Football will get their 3rd lift in on Friday during athletics and Varsity Football will get their 3rd lift in on Saturday at 9am during the season.

We will have our Dogs & Decals even August 24th from 5:30-6:30pm. This is for Varsity players and their Father's to come up and put decals on their helmets. A meal will be provided for them!

Also, if anyone is interested in helping run the chains at Friday night home games, please feel free to contact myself or Andy Beck.

If you have any questions or concerns please don't hesitate to call/text me at 432-230-0807 or email me at jward@esc17.net

WAO!
