Leopards are Responsible with Technology

Consequences:

1st offense: Students will be allowed to pick up phone/electronic devices after school in the main office and serve lunch detention the next school day.

2nd offense: Parent or Guardian must pick up phone/electronic device in the main office and the student will serve lunch detention the next school day.

3rd offense: Parents or Guardian must pick up phone/electronic devices in the main office on day one. The student will then be responsible for turning the phone/electronic device into the main office every morning before school for the next 5 school days and serve lunch detention for those 5 school days .
