

## Principal Baum's Letter

Welcome to New Home Elementary! My name is Kelly Baum and I am thrilled to be principal of New Home Elementary! I have already grown to love the families of this school and community. I have always had a special place in my heart for a small town and schools. I love what it means to be a New Home Leopard!

At New Home Elementary, our goal is to create an environment where students feel loved and thrive as learners! We believe that students can be successful in an environment that is safe to try even when it's challenging.

Please know that we are here to serve our families and students the best we can. Education and educators have faced several challenging years with COVID, increased educational guidelines, social media, teacher shortages, and school safety. We are blessed to have a building full of amazing teachers and staff. Always feel free to contact me with questions or concerns. We know your children are your most precious resources!

As we do every morning with our students, I will end with this, "Leopards are Safe, Leopards are Respectful, Leopards are Responsible, Leopards can DO ANYTHING with Hard Work."

GO LEOPARDS,

Kelly S. Baum
